YOU'RE NOT BORN WITH IT. YOU BUILD IT.

What is Character Connex?

Presented by Jason Noble
International Coordinator

Character Connex is a school assembly program developed specifically to connect school children with good character traits. It's also been carefully designed to be sensitive to the "separation of church and state" concerns of the public school system. This high-energy program captures all the senses, featuring video, skits, puppets, games, illusions, and audience participation. Character Connex is a great tool to connect children's leaders and their local public schools. *For more information go to www.characterconnex.com*
